SCHEDULE 10

FARMERS’ MARKET

1. In addition the licensing requirements set out in section 4 of this By-law, an Applicant for a Farmers’ Market Licence shall supply the following:

    a) for a Class “A” Licence:

        i. Fire Approval;
        ii. Health Approval; and
        iii. Planning Approval.

    b) for a Class “B” Licence:

        i. Health Approval; and
        ii. Owner’s Authorization.

2. Other than those establishments identified in section 3, below, a "Class A" Licence is required for all Farmers’ Markets.

3. A Class “B” Licence shall be required for the following Farmers’ Markets:

    a) a Pop-up Farmers’ Market that consists of a farmer selling their own products from their garden, but not selling at their property; and

    b) a Pop-up Farmers’ Market where a Person who is not the farmer is selling the products from a farmer’s garden or farm.

4. A Farmers’ Market Licence is not required for:

    a) Persons who design and make arts and crafts, and who sell arts or crafts designed and made by themselves.

5. A notification shall be sent to Waterloo Regional Public Health office for any changes made to the vendors from the original licence.
